ORDER

(Per: M. A. Sayeed, Hon'ble Member)

English newspaper 'Midday' of 23.03.2023 highlighted on the plight of residents of Andheri Tower over flowing of sewage into their backyard and apathy on the part of the Municipal Corporation to rectify the same.

- 2. Considering the gravity of the news article, powers u/s. 12 of the Protection of Human Rights Act, 1993 were invoked and summons came to be issued to Municipal Commissioner, MCGM.
- Consequently, respondent MCGM, through its Law
 Officer Valvi submitted affidavit in reply duly affirmed by

Shri Bharat Chaudhari, Sub Engineer, Maintenance Department, K/W Ward affirming in para 6 as under:

"I say that, in past it is learnt that the entire area was a quarry and due to the topography of Veera Desai Road & Captain Samant Road the drainage water line from the abutting buildings / slums flows through an open plot and ultimately the water recedes towards Veera Desai Drain. Also, the Storm Water Drains, C. C. roads all constructed / laid in recent years. I further say that, the construction of 36.6 mtr. wide D. P. Road i.e. J. V. L. R. extension road is also undertaken by MMRDA which is abutting buildings located at Veera Desai Road and Captain Samant Road, along with Storm Water Drain. The copy of work undertaken by MMRDA is attached herewith as Annexure I."

4. Bare reading of the contents of the above noted paragraph, it can be seen that damage control steps came to be taken by the Maintenance Department, thereby bringing an end to the miseries of the residents of Andheri Tower. We therefore accept the statement made on oath and proceed to close the case as the issue has been duly attended and rectified by the respondent department.

Ordered accordingly.
